

Meeting Minutes (November 4, 2024)

Format: Online via Discord

Date: November 4, 2024

Duration: 9:10 pm - 9:30 pm (20 mins.)

Attendees: Jason, Kate, Gabby

I. Tasks Accomplished

Kate:

- Populated database tables and updated the sql file on github
- Found resources on how to create data charts to show data on dashboard

Jason:

- Added a textbox input and post button for the forum.

II. To-Do

Kate:

- Create equations for calculating data tables to then translate into code later on.
- Start testing on actually making a data chart

Jason:

- To work on making a separate pop up box or panel to create forum posts.
- Working on saving forum post data into a database.

Gabby:

- Add descriptions for each of the brands so that Kate can insert them into the database through insert statements.
- Work on finishing the closet.
